PACS. 73.21.Cd – Superlattices.

PACS. 72.20.Ht – High-field and nonlinear effects.

PACS. 05.45.-a – Nonlinear dynamics and nonlinear dynamical systems.

On page 845, the beginning of the paragraph before eq. (2) should read “If  $\omega/\gamma$  is less or order of unity . . .” instead of “If  $\gamma/\omega$  is less or order of unity . . .”.
